

## Description

All stainless double door fridge, GN1 $\frac{1}{2}$  interior and provides economical safe bulk storage. A precision high density polyurethane insulation provides excellent thermal efficiency, contributing to low running costs.

The cabinet is convenient for all catering outlets, banqueting and contract catering. The defrost management system has a dual device to speed up the process and reduce over freezing the evaporator.

Double door cabinets are always an attractive package because the large interior is efficiently cooling on a simple plug-in unit. Ideal for meats or general produce.

## Star Features

- GN 1 $\frac{1}{2}$  interior
- Ventilated cooling
- Interior W1100 x D540
- Quality stainless finish
- Lockable doors
- Stain resistant shelving
- Digital controller
- Swivel castors with brakes
- Top mounted motor
- Fully automatic defrost
- Stay open door at 90° angle
- 6 shelves as standard
- Push fit door seal
- Robust strong compressor

## Technical Specification

|                   |                      |
|-------------------|----------------------|
| Model             | R1000SV Refrigerator |
| GTIN No.          | 5391538052735        |
| Dimensions        | W1200 x D740 x H1950 |
| Temperature Range | -2°C to +8°C         |
| Capacity Gross    | 900 Litres           |
| Refrigerant       | R600a (130g)         |
| GWP20             | 0.022                |
| Climate Class     | 5                    |
| Power             | 13 Amp Plug          |
| Energy Class      | C (2.18 kW/24hr)     |
| Nett Weight       | 135 Kg               |
