

Description

Banks induction cooker D4060T2 delivers fast energy efficient cooking with precise temperature control. Induction technology heats pots directly for quicker boiling, consistent results and lower energy results.

Special Features

- ✓ Cooking Surface cool to touch
- ✓ Energy efficient
- ✓ Precise temperature control
- ✓ Compact and portable
- ✓ Eco-friendly cooking with minimal heat loss
- ✓ Pan detection
- ✓ Overheat protection
- ✓ 2x 3.5kW

Induction Cookware

- ✓ Cast Iron
- ✓ Enameled cast iron
- ✓ Stainless Steel if magnetic
- ✓ Multiply cookware i.e. stainless with magnetic base
- ✓ Induction compatible non stick

Technical Specification

Model	D4060T2
GTIN No.	5391538050724
Dimensions	W400 x D600 x H360
Temperature Range	60°C to 240°C
Ring Size	215 mm
Power	2x 3.5 kW
Nett Weight	11 kg
