

Description

This large double door gastronorm cabinet accepts GN 2/1. It provides excellent and safe bulk frozen storage. High density polyurethane insulation provides thermal efficiency, contributing to low running costs.

The defrost management system has a dual device to speed up the process and reduce over freezing the evaporator.

Double door cabinets are always an attractive package because the large interior space is efficiently cooled.

Star Features

- GN 2/1 interior
- Direct ventilated air cooling
- Quality stainless finish
- Lockable doors
- Stain resistant shelving
- Digital controller
- Swivel castors with brakes
- Top mounted motor
- Fully automatic defrost
- Stay open doors at 90° angle
- 8 Shelves as standard
- Push fit door seal
- Robust compressor
- Quality components

Technical Specification

Model	F1310SVN Freezer
GTIN NO	5391538050106
Dimensions	W1314 x D800 x H2130
Temperature Range	-17°C to -25°C
Capacity Nett	1300 Litres
Refrigerant	R290a
Compressor	EMBRACO
Power	13Amp Plug 8.9Kw/24H
Energy Class	C
Nett Weight	177 Kg
Shipping Weight	200 Kg
