# CRS136G
## 3 Door
## Counter Refrigerator

## Description

This has a reliable refrigeration system that can save on energy costs and improve efficiency. Built to international quality standards, you are guaranteed a good long term return on your investment.

The stylish design and the integrated handles give the cabinet an enhanced appearance. With the use of a quality stainless material, foods can be prepared and stored hygienically.

The under counter storage (GN1/1) maximizes valuable available space. Drawers can be fitted if required. The drawers run on high quality runners. Large stainless wipe clean flat top worksurface.

A smart cooling system provides constant air flow throughout the cabinet ensuring excellent food preservation at the required temperature.
